

TRAFFIC IMPACT

The IRONMAN Team would like to thank you in advance for your display of hospitality during race week of the 2026 IRONMAN Jacksonville. On Saturday, May 16, over the course of 17 hours, athletes will be racing throughout our community. We ask for your cooperation and understanding as you travel around town. Please note, police officers will briefly stop and release traffic as needed, but residents and businesses will be allowed through to reach their destinations throughout the event. We appreciate your support and ask that you proceed with extreme caution and allow for additional travel time to your destination. Any questions please contact JACKSONVILLE@IRONMAN.COM. Thank you and we hope to see you out there!
