

BRING IT HOME! JAX

A VISIT JACKSONVILLE INITIATIVE

Bring your next
conference home
to Jacksonville!

JAX Locals!

The “Bring It Home Jax” initiative is the opportunity for all of us to use our influence to recruit the organizations and conferences we are involved with to hold their future meetings right here in Jacksonville.

- Hosting here creates a positive impact on our local economy.
- Jax is the most affordable meeting city in the state.
- Jax can accommodate tight schedules and budgets.
- Jax is a unique meeting destination with all the perks of a big city visitors bureau, including individualized attention for planners and groups.
- Jax is perfectly situated with easy access from major cities via car or air.

What's in it for you?

The program rewards you and your organization with recognition in Visit Jacksonville advertising, promotions, and social media.

Visit Jacksonville will do the heavy lifting, working directly with the organization and providing free resources to make the event successful.

- Venue sourcing and site visit assistance
- Sales incentives and booking concessions
- Destination marketing tools and visitor information resources
- Vendor and business service referrals

Bring the economic impact of these conferences here to our home city!

Connect with us and let's show them why Jacksonville is such a great city to live, work and play in.
