Daikin Comfort Technologies

Dear Kate,

Thank you so much for allowing us to present an offering for group block. This proposal will outline the many benefits and advantages that distinguish us from other event destinations and hotels. We will work hard to exceed your expectations with a successful program and provide each guest with the accommodations and service expected of a luxury hotel.

TOP FEATURES

- Conveniently located in the heart of Downtown Jacksonville and only 14 miles from the Jacksonville International Airport.
- Guestrooms offer breathtaking City and St. Johns River views that will captivate those guests returning to Jacksonville from out of town. It's a great way to enjoy your time sharing memories of your youth.
- Our health facility offers twenty-four hour accessibility and features a stunning view of our rooftop pool and sundeck with a backdrop of the incredible River City.
