

# WE MADE IT BIGGER

(You're Welcome)

# AND BETTER

Here in Jacksonville, we know a thing or two about making it **big**. Your event will make a huge splash with one of the largest cities in the U.S. as your playground, and we're here to help make it happen.

There is infinite potential for **fun**—whether you're looking for an unforgettable meeting experience at a boutique venue near our 22 miles of white-sand beaches or a sizable convention space amid world-class museums, unique dining destinations, and a variety of nightlife options. On top of that, we've got the expertise to ensure your event even meets the biggest expectations.

And to seal the deal, we're rolling out our **largest incentive\*** program to date.

To learn more, contact your Visit Jacksonville sales manager or email [convsales@visitjacksonville.com](mailto:convsales@visitjacksonville.com) because *life's too short for lame incentives.*

\*The meeting or conference must take place 2/1/26 – 6/30/28. Original RFPs must be sent to Visit Jacksonville by meeting or event planner. Minimum of 100 room nights. Incentive dollars are for new business only and do not apply to already negotiated contracts or existing contracts. Maximum amount received will be up to \$12.50 per actualized room nights.
