

Questions for Social Media Videos received:

Is there a budget associated with this project?

No, we do not have a set budget range for this project.

In the intro this is stated: For both videos, we envision an interview with a local who is knowledgeable about the subject and then b roll for places mentioned during the interview.

But then multiple interviews are hypothesized: We envision the video being a mix of direct-to-camera interviews (artists, chefs, educators, historians, etc.)

We are open to multiple interviewees, but only one is required.

Please keep in mind that this Request for Proposals is for **both videos** stated in the proposal. *Please do not bid on only one video.*

Thank you,
