

After Hours Fun in Jax

Jacksonville is the perfect destination to get the party started!

With Florida’s youngest population, the city really knows how to have a good time. Jacksonville’s nightlife is filled with unique lounges, bars, tap rooms, pubs, and live music venues for every taste, and every level of fun. Whether you are looking for a quiet night out, the perfect happy hour spot, ready to bar hop or dance the night away, Jax has the spot for you and your group to have a great time!

And while in Jacksonville, be sure to drink local and explore the local craft beer scene. We have 9 breweries and counting! Our breweries are a fun spot to enjoy the local flavors, sample tasty bites and make new local friends. Be sure to grab a Jax Ale Trail passport to explore all of our breweries.
