

Birding Tour

Stop 1: Big Talbot Island – State Road A1A North, 32226

Park your kayak or car at Sawpit Creek Boat ramp. In the marsh, you may catch a glimpse of Clapper Rails, Seaside Sparrows and Marsh Wren. Across the road from the boat ramp, Spoonbill Pond, Spot Waders and shorebirds can be spotted there.

Stop 2: Ft. Caroline National Memorial & Theodore Roosevelt Area – 12713 Fort Caroline Rd, 32225

Along the Hammock Trail you can spot migratory songbirds. Wading birds and raptors may be seen from the fort. Across the road in Spanish Pond you will find Clapper Rails.

Stop 3: Castaway Island Preserve - 2885 San Pablo Rd S, 32225

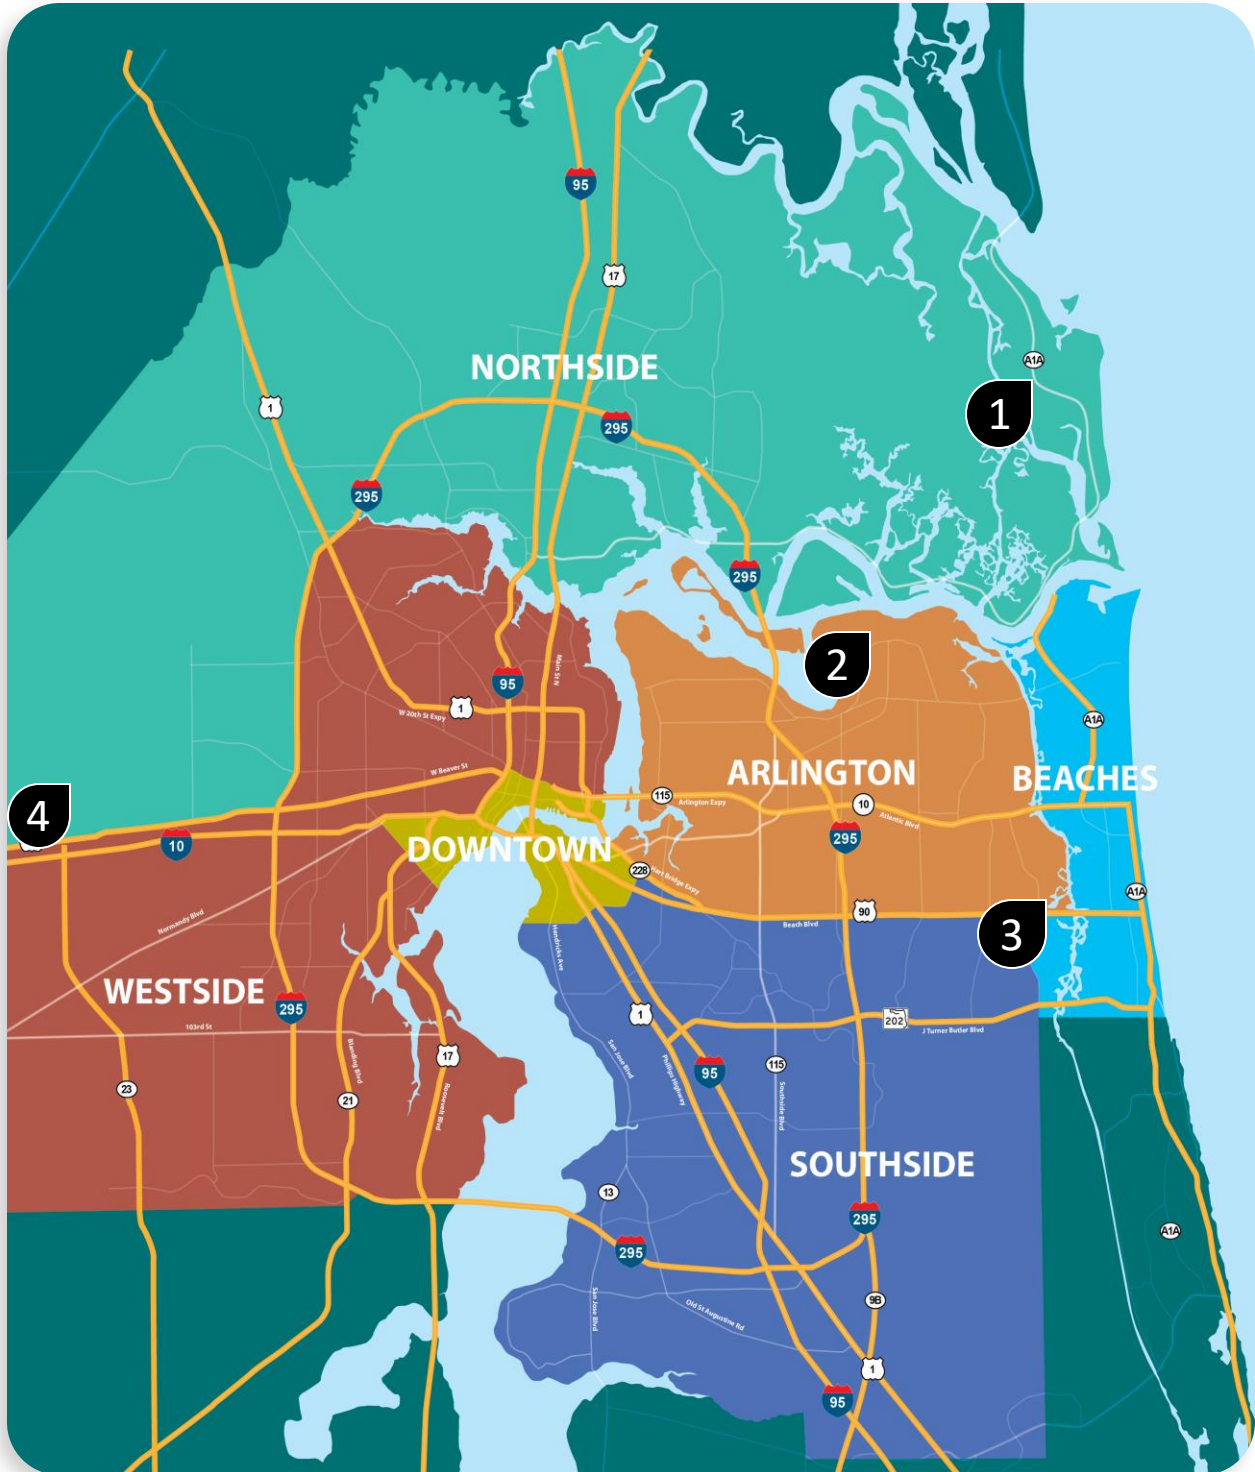

Along the intracoastal waterway you will find Wood Storks, Tri-colored Herons and Snowy Egrets.

Stop 4: Camp Milton Historic Park – 1225 Halsema Rd N, 32220

Open daily from 9:00am to 5:00pm. Winter migration is the best time for birding here. Strolling along the paved trails you will spot Eastern Bluebirds, Eastern Meadowlarks, Palm Warblers and Loggerhead Shrike. The skies are scattered with Bald Eagles, American Kestrels, and Sharp-shinned Hawks.
