

Did you know that Springfield was named the most bikeable neighborhood in Jacksonville's urban core, according to WalkScore.com? Whether you're a long-term resident or just visiting the Bold City, we hope you enjoy Springfield's connectivity to our fellow urban core neighborhoods.

The map gives suggested routes for how you can #ExploreTheCore; whether you're starting in Springfield or heading here as your destination! Established in 1869, and located adjacent to the north of Downtown Jacksonville, Springfield is the oldest neighborhood in Jacksonville and offers a variety of experiences for visitors and residents alike! This historic neighborhood is filled with restored mansions (and bungalows), hip restaurants, locally owned shops, some of the city's oldest parks, craft breweries and tons of southern charm with majestic oaks providing protective shade and a beautiful visual along its residential streets.

Bicycle Repair Stations are available at:

- **Henry J. Klutho Park**
(at the intersection of Pearl Street and West 3rd Street)
- **SPAR Office**
1321 N. Main St. (behind the building)
